Chapter 1

Getting the distribution

This is a dummy target for the `oomph-lib` tar files. You should only end up here if you followed the download link from a mirror installation of the `oomph-lib` distribution.

Please download the latest version of the distribution directly from the `oomph-lib` homepage at

<p align="center"><code>http://www.oomph-lib.org</code></p>

1.1 PDF file

A `pdf version` of this document is available.
